

ACADEMY FENCE Inc.

Portable Dog Run Kennel System

Offers the ultimate in security and protection for your dog and a piece of mind for you.

Easy to assemble sections come pre-built. So simple to put together. Only tools required are 1/2" and 9/16" wrench. Gate is attached and mounted on to the frame. All that is required of you, is to put on the 8 clamps that hold the dog run sections together. Additional sections can be attached at a later time to enlarge your dog run.
